Project Title: Riff Raff Website

I want this site to be built as multiple pages, rather than a long, single page website. There will be a navigation bar at the top to toggle between pages. Each page will focus on different aspects of his life.

- Home Page/Introduction – a paragraph or so just on who Riff Raff is and why he is relevant and some basic facts about him.
- Early life
- Music Career – section by years
- Personal Life
- Discography/Filmography
- *Spring Breakers* controversy
- Sources – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
